Methods

Who Came? (38)

How Used in School

Priority Topics

Staying Cool

Bullying

Why Should Connected Kids Go to School?

- Fewer pediatrician visits for school age children
- School professionals have daily contact
- Increase in suicide and homicide
- Prevention opportunities
- Schools connect with community

Goals

1. Expand *Connected Kids* to schools
2. Address middle school topics
3. Collaborate
4. Adapt materials (Spanish, Vietnamese)
5. Develop, implement and evaluate pilot
6. Expand

What's Next?

- More workshops
- More brochures
- Adaptation in other languages

Summary

1. Multidisciplinary professionals involved
2. Innovative ideas
3. AAP materials provide good messages
4. Value of partnerships
5. Snowball effect
6. CA4 AAP: *Connected Kids* Goes to Family Resource Centers (AVON grant)

Looking Ahead

1. Integrate with Unintentional Injury Prevention and ROR in pediatric offices
2. Child Care
3. Social Services
4. Public Health Nursing
5. Preschools
6. Home Visitation Programs
